

Red Bag Order Form

Red Bags provide a valuable ministry opportunity for North Carolina Baptists and others to impact the lives of the aging 65 and over in their churches and communities.

- Red Bags can be ordered from NCBAM for \$3.00 each – shipping is included!
- Each bag includes a Red Bag brochure with a My Med List medicine chart, a Red Bag Checklist card, and an easily understood Plan of Salvation card.
- Minimum order is 50 bags. If needed, consider partnering with other churches or other community organizations to meet the minimum order. However, an order will be shipped to only one address.
- Make check payable to NCBAM (only one check per order).
- NCBAM places orders once a month on the 15th. Those placing orders prior to the 15th can expect to receive Red Bags by the end of the month. However, it is best to plan distribution at least 30 days after the 15th in case of any delays.

For God is not unjust to forget your work and labor of love which you have shown toward His name, in that you have ministered to the saints, and do minister. – Hebrews 6:10
