*You are the God
who sees me.*

– Genesis 16:13

Social Isolation and Loneliness: Many of North Carolina's aging go weeks without speaking to another person. Others lack quality connections and feel lonely even in a crowd. Health professionals link social isolation and loneliness with numerous adverse health conditions.

The NCBAM Hope Line: If you are 65+ and experiencing loneliness or isolation, please call us. Trained staff and volunteers are ready to encourage you with a friendly voice and a compassionate ear, to pray with you, and to remind you that God sees you and loves you.

**Share the NCBAM
Hope Line with those
at risk in your community.**
