North Carolina Baptists on Mission provide outstanding, mission-minded **Disaster Relief** in North Carolina and the world. Now, North Carolina Baptist Aging Ministry can help your church develop a **Disaster Preparedness Ministry** for your most vulnerable members—those over 65.

Disasters don't plan ahead for anyone—but your church can—and NCBAM is ready to help!

In a **Disaster Preparedness for Aging Adults** workshop, you will learn:

- Why each church needs to have a preparedness ministry for aging adults
- How to plan, implement and maintain a preparedness ministry
- Practical ways your church can help individuals 65+ be prepared
- How to create Grab-and-Go bags

This workshop is great for:

- Church leadership groups
- Senior adult groups
- Conferences and retreats
- Non-profit ministries
